

## APPOINTMENT OFFICERS REPORT

My report for the 2014 season, it was a very busy time again and I would like to thank all Colleagues for their support in helping to be able to fulfil all the appointments we were asked to cover. Special thanks to Arnold Brotherhood, Rod Watts, Kevin Smyth, and Robin Whait for all there time given in helping me contact you all. We had the County Cup in which needed 70 appointments. The Youth section seems to becoming more demanding by each season as 126 appointments were made during the season. Rod had a busy time in arranging for Leicester, Loughborough and De Montfort Universities by being asked to appoint to over 50 matches which at times were only the night before and this was a excellent job carried out again by him. We were lucky again in having Colleagues appointed to National appointments at different levels of the competitions so as a branch we were highly noted once again. We have had appointments to the Universities Indoor competitions over the past 12 months and theseø matches are starting to take place again and Kevin has been asked to be the tournament director. I will close by saying it was easier as the weather was kind to us this year, and I wish you all the best for the winter months, and I will be contacting you early in the New Year

Keith Towers (Appointments Officer)
