### **Membership Services Officer's Report 2014**

The Association of Cricket Officials (ACO) reporting year runs from January to December, so the figures listed are not a year on year comparison.

At the start of the year L&R ACO had 143 members, this was made up of 142 fully paid up members and one 1<sup>st</sup> class member. With a bit of badgering and cajoling, at the end of our reporting year (September) the membership is as follows:

156 members, of which 155 are fully paid up members and we have one 1<sup>st</sup> class member. We still have one or two renewals in the pipeline.

I would like to remind all members who renew by Direct Debit (and it is slightly cheaper this way) that for this process to take place they must have an up to date DBS at the time the DD is submitted.
